### **Public Notice of Application for Land Trust Alliance Re-Accreditation**

The land trust accreditation program recognizes land conservation organizations that meet national quality standards for protecting important natural places and working lands forever. Kachemak Heritage Land Trust (KHLT) is pleased to announce it is applying for renewal of accreditation. **A public comment period is now open.**

The Land Trust Accreditation Commission, an independent program of the Land Trust Alliance, conducts an extensive review of each applicant's policies and programs. Accreditation allows KHLT to further our goals of providing high quality enduring conservation work on the Kenai Peninsula of Alaska. In our 29<sup>th</sup> year, we are continuing to move forward with our important conservation work, preserving irreplaceable fish, bird, and wildlife habitat as well as recreational lands for the future. These standards address the ethical and technical operation of a land trust. For the full list of standards see <http://www.landtrustaccreditation.org/help-and-resources/indicator-practices>.
